

# Player with playlist layout

## Example

[https://api.vodgc.net/player/v2/embed/playerId/K4480F1541608881/contentId/448986?playlist\\_ids=448984](https://api.vodgc.net/player/v2/embed/playerId/K4480F1541608881/contentId/448986?playlist_ids=448984)

## Custom styles

You can configure your player in the "Look and feel" section and add custom styles like the following example:

```
@media (max-width: 720px) {  
  .vid-list-container {  
    visibility: hidden;  
  }  
  #media-player-container-with-playlist {  
    width: 100%;  
  }  
}
```
